

WHAT WILL BE YOUR *legacy?*

The Kenneth S. Kantzer (KSK) Society was created to recognize and honor our generous alumni, family, and friends who have made a provision for Trinity in their wills or through another type of planned gift. Donations such as these have a profound and lasting impact on students, faculty, and ministries at Trinity and are a continuing source of strength and support. Society members have helped to expand the resources of the library, endow scholarships, establish innovative new programs, and enhance campus facilities.

Through their thoughtful gifts, members of the KSK Society impart the Trinity experience to a new generation of students. We honor them in recognition of their commitment to excellence in Christian education, the value of which has never been greater. To all who have given of their resources, service, and prayer, we are grateful.

For more information, please contact the TIU Office of Planned Giving at 800.445.8337. You may choose a particular area of the university to support or allow your gift to fund key priorities determined by Trinity's leadership.
